We are writing to you as a Shareholder in the Fund to advise of the following changes to the supplement (the "**Supplement**") for the Fund above which will take effect on 20 June 2025 or such date as the revised Supplements are noted by the Central Bank.

The Index tracking strategy of the Fund will be changed from a stratified sampling strategy to a replication strategy. Information regarding the replication strategy is provided in the "General Information" section of the Prospectus under the "Index Tracking Funds" sub-section.
