APPENDIX I

The below is a summary only of the main changes it is proposed to make to the Articles of Association. The changes in full are highlighted in the enclosed Articles of Association at Appendix II.

1. Changes required as a result of the introduction of the Central Bank (Supervision and Enforcement) Act 2013 (Section 48(1)) (Undertakings for Collective Investment in Transferable Securities) Regulations 2015 (the “**CBI UCITS Regulations**”). The CBI UCITS Regulations supplement existing legislative requirements (in particular, the European Communities (Undertakings for Collective Investment in Transferable Securities) Regulations 2011) and, together with guidance published on the Central Bank of Ireland (the “**Central Bank**”) website, replace the rules and guidance previously set out in the Central Bank’s UCITS Notices and Guidance Notes. In accordance with the CBI UCITS Regulations, where a redemption gate is imposed by any of the sub-funds of the Company, any deferred redemption requests will now not have priority on any subsequent Dealing Day over other redemption requests received on subsequent Dealing Days from Shareholders. This change and other CBI UCITS Regulations updates are highlighted in the enclosed Articles of Association at Appendix II.
2. Changes to reflect the introduction the Companies Act 2014 and amendments throughout the Articles of Association to replace the previous legislative references and provisions as highlighted in the enclosed Articles of Association at Appendix II.
3. To provide the Company with the ability to appoint a management company to conduct the administrative affairs of the Company at a future date, with any such appointment subject to further Shareholder approval.
4. To provide that, subject to any limitations under applicable law, where a notice or other document is to be provided to a Shareholder, such notice or document may be provided electronically, without the need for Shareholder consent.
5. To provide the Company with the ability to convert to an Irish collective asset-management vehicle (an “**ICAV**”) at a future date, with any such future conversion subject to further Shareholder approval. The ICAV is a new corporate vehicle designed for Irish investment funds.
6. Other general updates to the Articles of Association.
