

**SSGA SPDR ETFs EUROPE I PLC**

**78 Sir John Rogerson's Quay**

**Dublin 2**

**Ireland**

**An Umbrella Fund with Segregated Liability Between Sub-Funds**

This notice has not been reviewed by the Central Bank of Ireland (the "Central Bank") and it is possible that changes thereto may be necessary to meet the requirements of the Central Bank. The Directors are of the opinion that there is nothing contained in this notice nor in the proposals detailed herein that conflicts with the guidance issued by and regulations of the Central Bank nor with best industry practice.

Unless otherwise defined herein or unless the context otherwise requires, all defined terms used in this notice shall bear the same meaning as in the prospectus of the Company dated 28 October 2022 (the "Prospectus")

**Date: 8 June 2023**

**NOTICE TO SHAREHOLDERS**

Dear Shareholder,

**SSGA SPDR ETFs Europe I plc (the "Company")**

---

**Fund Name**

SPDR MSCI World UCITS ETF

---

**(the "Fund")**

We are writing to you as a Shareholder in the Fund to advise of the following change to the supplement (the "**Supplement**") for the Fund above which will take effect as at the date the revised Supplement is noted by the Central Bank.

**1. Addition of Currency Hedged Share Classes**

Four new currency hedged Share Classes are being made available for the Fund:

<b>Share Class Type</b>	<b>TER</b>
EUR Hedged – Accumulating & Distributing	0.17%
GBP Hedged – Accumulating & Distributing	
USD Hedged – Accumulating & Distributing	
CHF Hedged – Accumulating & Distributing	

Details regarding these new Share Classes are included in the revised Fund Supplement.

## 2. Use of Financial Derivative Instruments (“FDIs”)

With the introduction of hedged Share Classes, **Derivatives** are added as Permitted Investments in the Supplement, for currency hedging and efficient portfolio management purposes. The use and risks of **FDIs** are being included in the Supplement.

## 3. Additional Investment Risks

Additional investment risks are being included in the Supplement relating to **Share Class Risk** and **Currency Hedging Risk** as indicated below.

*“**Share Class Risk:** There is no segregation of liabilities between Classes of the Fund. While the Investment Manager and/or Sub-Investment Manager will seek to ensure that gains/losses on and the costs of the relevant FDI associated with any currency hedging strategy will accrue solely to the Class for which it is intended, the transactions could result in liabilities for other Classes.”*

*“**Currency Hedging Risk:** Hedges are sometimes subject to imperfect matching between the hedging transaction and the risk sought to be hedged. There can be no assurance that the Fund’s hedging transactions will be effective. As the purpose of currency hedging is to try to reduce or eliminate losses caused by exchange rate fluctuations, it can also reduce or eliminate gains where the currency in which the Fund’s assets are denominated appreciates.”*

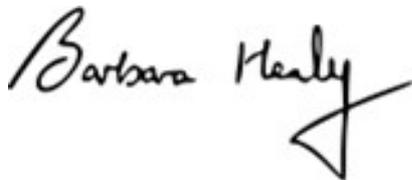

## 4. Other changes

Some other minor related changes have also been included in the Supplement .

### **Further information**

Should you have any queries, please contact the SPDR ETF Sales and Support team at [spdrseurope@ssga.com](mailto:spdrseurope@ssga.com) / +44 (0)20 3395 6888 or call your local SPDR ETF representative.

Yours sincerely,

**Director**
