Proposal Number	Proposal Text	Proponent	Mgmt Rec	Voting Policy Rec	Vote Instruction	Vote Against Mgmt
7	Approve the Increase in the Number of Directors to 9	Mgmt	For	For	For	No
<i>Voting Policy Rationale: A vote FOR this resolution is warranted as this amendment will accommodate the board's intention to appoint a second Seven Group Holdings nominee in the event that the size of the board is increased to nine. This would appear to preserve Seven's board representation at a level which is close to its proportionate shareholding of approximately 22 percent. Nevertheless, shareholder may be concerned with the limitation placed on shareholder rights to appoint directors. To the extent that shareholders may seek to nominate an additional director, the board may invoke the "no vacancy" rule, and there is no casual vacancy on the board due to the limitation under the constitution.</i>						
8	Approve the Increase in Maximum Aggregate Remuneration of Non-Executive Directors	Mgmt	None	For	For	No
<i>Voting Policy Rationale: A vote FOR the resolution to approve an increase in the maximum aggregate remuneration of NEDs (Item 8) is warranted because there are more directors following the merger with Drillsearch and no material governance issues have been identified. The NED fees have not been increased since 2012, and the raising of the cap allows for additions to the board.</i>						
9	Approve the Financial Assistance	Mgmt	For	For	For	No
<i>Voting Policy Rationale: The gearing ratio is 13.64% which is within the acceptable threshold for the company's sector in this market.</i>

1	Approve the Proposed Disposal of Coal & Allied Industries Limited	Mgmt	For	For	For	No

Voting Policy Rationale: A vote FOR disposal of Coal & Allied is warranted given that:- The value of consideration offered is between \$2,296 million and \$2,386 million, which exceeds the Independent Expert's valuation of between \$1,820 million and \$2,173 million on a controlling basis.- The Independent Expert states that the Transaction is fair and reasonable to non-associated shareholders opining that, "[w]e expect there are few other potential acquirers who could extract the same value out of the Coal & Allied assets as Yancoal".- The Board of Directors has unanimously recommended that non-associated shareholders, in the absence of a superior proposal, vote in favour of the Transaction;- The Transaction is the result of a competitive sale process;- The disposal of Coal & Allied is consistent with Rio Tinto's overall coal divestment strategy; and, - No material corporate governance concerns have been identified in respect of the associated shareholders.
