

**Charges**

The charges you pay are used to pay the cost of running the Fund, including the costs of marketing and distributing it. These charges reduce the potential growth of your investment.

**One-off charges taken before or after you invest**

Entry charge	none
Exit charge	none

This is the maximum that might be taken out of your money before it is invested (entry charge) or before the proceeds of your investment are paid out (exit charge).

**Charges taken from the Fund over a year**

Ongoing charge	0.20%
----------------	-------

**Charges taken from the Fund under certain specific conditions**

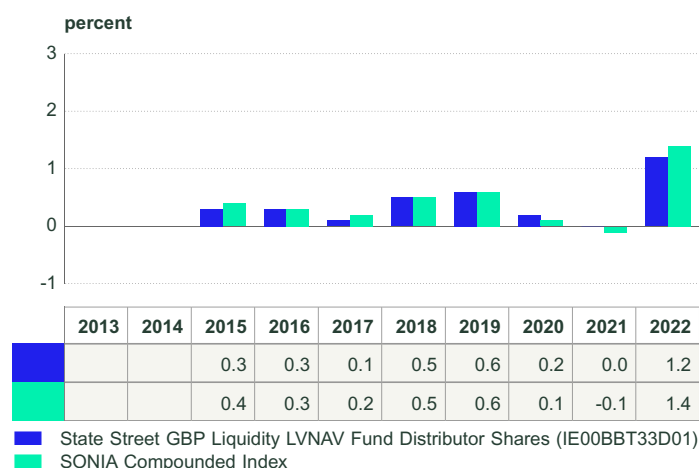

Performance fee	none
-----------------	------

The entry and exit charges shown are maximum figures. In some cases, you might pay less – you can find this out from your financial advisor or distributor.

The ongoing charges figure is based on expenses for the year ending December 2022. This figure may vary from year to year. It excludes:

- Portfolio transaction costs, except in the case of an entry/exit charge paid by the Fund when buying or selling units in another fund.

For more information about charges please refer to the "Fees and Expenses" section of the Prospectus and the Fund Supplement.

**Past Performance**

Past performance is not a guide to future results.

The past performance shown here takes account of all charges and costs. The entry/exit charges are excluded from the calculation of past performance.

The Fund was launched in March 1997.

The Class Distributor Shares were launched in July 2014.

Past performance has been calculated in Pound Sterling and is expressed as a percentage change in the Fund's net asset value at each year end.
