

**Charges**

The charges you pay are used to pay the cost of running the Fund, including the costs of marketing and distributing it. These charges reduce the potential growth of your investment.

One-off charges taken before or after you invest	
Entry charge	none
Exit charge	none

This is the maximum that might be taken out of your money before it is invested (entry charge) or before the proceeds of your investment are paid out (exit charge).

Charges taken from the Fund over a year	
Ongoing charge	0.15%

Charges taken from the Fund under certain specific conditions	
Performance fee	none

The entry and exit charges shown are maximum figures. In some cases, you might pay less – you can find this out from your financial advisor or distributor.

Entry and exit charges are not applicable to investors buying/selling shares of the Fund on stock exchanges, but these investors will do so at market prices and may be subject to broker fees and/or other charges.

The ongoing charges figure shown here is based on expenses for the year ending December 2021. It excludes:

- Portfolio transaction costs, except in the case of an entry/exit charge paid by the Fund when buying or selling units in another fund

For more information about charges please refer to the "Fees and Expenses" section of the prospectus and the Fund supplement.

**Past Performance**

A The past performance displayed relates to the S&P Consumer Discretionary Select Sector Index (the previous index the Fund tracked up to 15 March 2019).

Past performance is not a guide to future results.

The past performance shown here takes account of all charges and costs. The entry/exit charges are excluded from the calculation of past performance.

The Fund was launched in July 2015. The Class Acc Shares were launched in July 2015.

Past performance has been calculated in U.S. Dollars and is expressed as a percentage change in the Fund's net asset value at each year end.

The Index of the Fund changed from the S&P Consumer Discretionary Select Sector Index to the S&P Consumer Discretionary Select Sector Daily Capped 25/20 Index on 15th March 2019.
