

“ZONED-IN” Legacy Builder™

Think back to when you were growing up and to a person who inspired or shaped you. Now consider how you’d like to be remembered by others, so you can start showing up as that person now.

1. Who is your who?

(e.g. The creator of this digital course (Sheryl Kline’s) “who” is her mother because she had no voice in her home or for her true purpose/passion. Sheryl has dedicated her life to making sure every female leader, emerging leader and male ally has the opportunity to speak up, be heard and share their true passion/impact with the world.) Now it’s your turn.

2. When you are no longer in your career or even no longer with us on Earth, how do you want to be remembered?

3. Why is this important to you?

4. The one person I will share or teach this to in the next 48 hours is:

5. The day and time I will do this is:
