

State Street EMU Screened Equity Fund

State Street Global
Advisors Luxembourg
SICAV

UCITS ETF

Fund Objective

The objective of the Fund is to provide a return in excess of the performance of Eurozone equity markets.

Environmental, Social & Governance (ESG) Characteristics

The Fund promotes environmental and social characteristics but does not have as its objective sustainable investment. The Fund is categorized under Article 8 of Regulation (EU) 2019/2088 on sustainability-related disclosures in the financial services sector ("SFDR")

Main methodological limits: There may be potential inconsistencies, inaccuracy or lack of availability of the ESG data, particularly when issued by external data providers. Details about the limits are described in the Prospectus.

More information about the type of ESG characteristics, ESG strategy, investment process and type of approach in the Prospectus.

Investment Strategy

The investment policy of the Fund is to outperform the MSCI EMU Index (or any other index determined by the Directors from time to time to track substantially the same market as the Index) over the medium and long term.

The investment policy will also involve screening out securities based on an assessment of their adherence to ESG criteria (i.e. international norms in relation to environmental protection, human rights, labour standards, anticorruption and controversial weapons).
