

# State Street AUT 1-5 Year Global Credit Index Fund

State Street Authorised  
Unit Trusts

Fact Sheet  
Fixed Income

31 January 2026

## Fund Objective

The objective of the Fund is to track the performance of the Index as listed above while screening out securities based on an assessment of their adherence to certain criteria in relation to controversial weapons and controversial behaviours as defined by the Screen Provider.

## Investment Strategy

The Fund seeks to build a representative portfolio that matches the risk and return characteristics of the Index in the most efficient way, including, but not limited to, risks related to currencies, countries, sectors, quality, maturity duration and issuers after the removal of the Excluded Securities based on certain criteria in relation to controversial weapons and controversial behaviours as defined by the Screen Provider.

The Fund may also invest in transferable securities, money market instruments, warrants, units in collective investment schemes, deposits and derivatives.

The Fund may invest in collective investment schemes managed or operated by companies in the same group as the Manager or the Investment Adviser.
