Fund Objective

The Investment Objective of the Sub-Fund is to seek to generate capital growth over the long term.

Investment Policy: In order to achieve its investment objective, the Sub-Fund's investment policy will be to invest its assets in four different strategies according to the following fixed percentages of the Sub-Fund's net asset value (the "Fixed Weights"): i. 70% will seek to track the FTSE All World Equity Index ((i) where the developed component related to developed countries is 75% hedged to Euro and (ii) is net of irrecoverable tax); ii. 15% will seek to track the FTSE EMU Government Bond (5+ years) Index; iii. 10% will seek to generate returns equivalent to cash (as measured by 1-month Euribor); and iv. 5% will seek to maintain a high level of liquidity, preserve capital and stability of principal and consistent with these objectives, earn current income with an aim to provide a return in line with money market rates. The Investment Manager will effect such a strategy through investments in collective investment schemes and money market funds that invest in a range of investment grade fixed and adjustable rate transferable short term securities.

Since January 2017, the gross performance figures contained herein are gross of the management fee and other expenses. Prior to this date, the gross performance figures are gross of the management fee only.

Performance returns for periods of less than one year are not annualised. The performance includes the reinvestment of dividends and other corporate earnings and is calculated in the stated currency. Index returns reflect capital gains and losses, income, and the reinvestment of dividends.

Prior to 8 June 2015, the investment objective and policy of the Sub-Fund was to seek to track, as closely as reasonably practicable, the performance of a composite of relevant index returns based on the Pooled Fund Survey manager average allocations. The investment objective and policy of the Sub-Fund was updated with effect from 8 June 2015 as described above.

The inception date used here corresponds to the update of the Sub-Fund's investment objective and policy on 8 June 2015.

Past performance is no guarantee of future results.
