Fund Objective

The objective of the Fund is to generate capital growth over the long term through investment in the fixed-rate, investment grade, Euro-denominated corporate bond market.

Investment Strategy

The investment policy of the Fund is to invest in companies bonds which exhibit lower carbon emissions in the way of current emissions and future emissions (measured by fossil fuel reserves), green labelled bonds and climate-aligned issuers bonds and corporate bond securities issued by companies that are better positioned for the physical risks posed by climate change while screening out securities based on an assessment of their adherence to ESG criteria (i.e. international norms in relation to environmental protection, human rights, labour standards, anticorruption, controversial weapons and tobacco).

The Investment Manager, on behalf of the Fund, will invest actively using the Sustainable Climate Corporate Bond Strategy as further described in the "Investment Strategies" section of the Prospectus.

The performance of the Fund will be measured against the Bloomberg Euro Aggregate Corporate Bond Index.

The Fund is classified as an Article 9 fund under SFDR.
