

State Street Global Treasury Bond Index Fund

State Street Global
Advisors Luxembourg
SICAV

Fact Sheet
Fixed Income

28 February 2026

Fund Objective

The objective of the Fund is to track the performance of the global government bond market.

Investment Strategy

The investment policy of the Fund is to track the performance of the Bloomberg Global Treasury Bond Index (or any other index determined by the Directors from time to time to track substantially the same market as the Index) as closely as possible while seeking to minimize as far as possible the tracking difference between the Fund's performance and that of the Index.

The Index measures the performance of the global government bond market. Securities must be fixed rate and rated investment grade as defined by the Index methodology.
