What is Article 8 SFDR?

The Sustainable Finance Disclosure Regulation (SFDR) is an EU regulation that aims to deliver greater transparency on the degree of sustainability of financial products and to harmonize sustainability-related disclosures in the financial services sector.

Article 8 is the Sustainable Finance Disclosure Regulation (SFDR) and applies to financial products that promotes, among other characteristics, environmental or social characteristics, or a combination of those characteristics.

SSGA's Approach

The Investment Manager will utilize an exclusion and positive tilt approach for portfolio construction, seeking to invest the majority of the portfolio in issuers categorized as Sustainable Investments (as defined under article 2(17) of SFDR) or sovereign / supranational exposures with an ESG score of “B” as rated by a third party data provider.

The primary objectives of the Funds will continue to be Capital Preservation, Liquidity, and Yield while also promoting environmental and social characteristics.
