3.5 Less Units

Where the number of Units registered in the name of a Participant at the Record Date for a Distribution Period is less than the number of Units specified by the Participant, all those Units registered in the name of the Participant will be subject to the Plan.

- d. on behalf of and in the name of the Participant, subscribe for that number of additional Units determined under paragraph 4.4(c) and debit the Participant's Plan Account with the aggregate issue price of the Units subscribed for;
- e. issue to the Participant that number of Units determined under paragraph 4.4(c); and
- f. retain in the Participant's Plan Account any credit balance remaining after the issue of Units under clause 4.4(e) until the payment of the next distribution when that amount will be aggregated with any further distribution credited to the Participant's Plan.

8 Alteration or Termination of Participation Where No Notice is Given

8.1 Alteration of Participation

Where a Participant disposes by any means (including by sale, redemption or otherwise) of part of its holding of Units and does not give notice to the Responsible Entity to the contrary then:

- a. if the number of Units disposed of is less than the number of Participant's Non-participating Units then the number of Units disposed of will be deemed to be Non-participating Units;
