Accurate as of: 19 February 2026

Past performance is not a reliable indicator of future performance. Markets could develop very differently in the future.

This chart shows the fund's performance as the percentage loss or gain per year over the last 10 years against its benchmark.

It can help you to assess how the fund has been managed in the past and compare it to its benchmark.

A Performance returns prior to May 2016 reflects the past performance of SSgA Telecommunication Index Equity Fund I USD Shares which was merged into the Fund on 29 April 2016.

B The past performance displayed relates to the MSCI World Communication Services Index (the previous index the Fund tracked from 16 April 2016 up to 30th November 2020).

Performance data has been calculated including tax, ongoing charges and portfolio transaction costs and excluding entry and exit charges, in USD.

Where no past performance is shown there was insufficient data available in that year to provide performance.

Fund launch date: 29/04/2016.

Share Class launch date: 29/04/2016.
