Re: Changes to the U.S. SPDR Website

Date: December 11, 2019

Effective before the opening of business on Monday, December 16, 2019, the U.S. SPDR website will transition to the SSGA.com domain. In conjunction with the domain change, the new website will be reflective of a comprehensive redesign.

Upon accessing <https://www.ssga.com/> you will be prompted to select Country, Language, Roles, and Product. To access the new Authorized Participants page, please select the below options:

- **Country: United States**
- **Language: English**
- **Investor Type: Intermediary or Institutional**
- **Product: ETFs**

Please note that the changes to the website have no impact to the SPDR FTP and that all trading files can still be accessed via spdrs.ftpww.com

If you have any questions, please feel free to contact Anthony Giordano (212-339-2786, Anthony_Giordano@ssga.com), Nico Cortese (212-339-1595, Nicolas_Cortese@ssga.com) or the SPDR Capital Markets Group at USSPDR-CapitalMarkets@ssga.com.
