As of 10/31/2019, none of the SPDR ETFs are expected to pay capital gain distributions in 2019.

This information is an estimate of capital gains only for SPDR ETFs for which an affiliate of State Street Global Advisors serves as investment adviser or trustee. Actual capital gains will vary. The distributable amounts will be affected by adjustments to the gain or loss amounts and may also be affected by certain tax laws applicable only to excise and year-end distributions such as §1291 PFIC rules, §1256 Mark-to-Market rules, §988 Foreign Currency rules and §1091 Wash Sales rules. Additionally, distributions may be affected by redemptions in the Funds and changes in the outstanding shares.

Final distribution amounts will be posted to spdrs.com in December.

Performance quoted represents past performance, which is no guarantee of future results. Investment return and principal value will fluctuate, so you may have a gain or loss when shares are sold.
