
State Street Japan ESG Screened Index Equity Fund

SFDR Article 8 – Additional Information

Description of environmental or social characteristics

The State Street Japan ESG Screened Index Equity Fund is an index fund tracking the performance of the MSCI Japan ex UNGC and CW Index.

The index represents the performance of the broad market of Japan while excluding companies that are associated with Controversial Weapons or fail to comply with United Nations Global Compact principles.

Further Information

For information on the methodologies used in the construction of the Index and further information on the exclusion criteria and data sources, please refer to MSCI's index methodology description which can be found at the following link:

<https://www.msci.com/index-methodology> (index code 731089)

Please refer to the Prospectus and Relevant Supplement for more information.

About State Street Global Advisors

Our clients are the world's governments, institutions and financial advisors. To help them achieve their financial goals we live our guiding principles each and every day:

- Start with rigour
- Build from breadth
- Invest as stewards
- Invent the future

For four decades, these principles have helped us be the quiet power in a tumultuous investing world. Helping millions of people secure their financial futures. This takes each of our employees in 27 offices around the world, and a firm-wide conviction that we can always do it better. As a result, we are the world's third-largest asset manager with US \$3.47 trillion* under our care.

* AUM reflects approximately \$75.17 billion USD (as of 31 December 2020), with respect to which State Street Global Advisors Funds Distributors, LLC (SSGA FD) serves as marketing agent; SSGA FD and State Street Global Advisors are affiliated.

Investing involves risk including the risk of loss of principal. Past performance is no guarantee of future results.

The information provided does not constitute

investment advice as such term is defined under the Markets in Financial Instruments Directive (2014/65/EU) and it should not be relied on as such. It should not be considered a solicitation to buy or an offer to sell any investment. It does not take into account any investor's or potential investor's particular investment objectives, strategies, tax status, risk appetite or investment horizon. If you require investment advice you should consult your tax and financial or other professional advisor.

All material has been obtained from sources believed to be reliable. There is no representation or warranty as to the accuracy of the information and State Street shall have no liability for decisions based on such information.

This communication is directed at professional clients (this includes eligible counterparties as defined by the Central Bank of Ireland (CBI)

who are deemed both knowledgeable and experienced in matters relating to investments. The products and services to which this communication relates are only available to such persons and persons of any other description (including retail clients) should not rely on this communication.

Bonds generally present less short-term risk and volatility than stocks, but contain interest rate risk (as interest rates rise bond prices usually fall); issuer default risk; issuer credit risk; liquidity risk; and inflation risk. These effects are usually pronounced for longer-term securities. Any fixed income security sold or redeemed prior to maturity may be subject to a substantial gain or loss.

Equity securities may fluctuate in value in response to the activities of individual companies and general market and economic conditions.

Assumptions and forecasts used by SSGA in developing the Portfolio's asset allocation glide path may not be in line with future capital market returns and participant savings activities, which could result in losses near, at or after the target date year or could result in the Portfolio not providing adequate income at and through retirement.

The whole or any part of this work may not be reproduced, copied or transmitted or any of its contents disclosed to third parties without SSGA's express written consent.
