³ On July 1, 2016 State Street Corporation, the parent company of SSGA Funds Management, Inc., and State Street Global Markets, LLC acquired the asset management and advisory services business of GE Asset Management, Incorporated, the former investment adviser to the Fund. As of that date, SSGA Funds Management, Inc. became the investment adviser to the Fund and State Street Global Markets, LLC became the distributor for the Fund. Effective May 1, 2017, State Street Global Markets, LLC was renamed State Street Global Advisors Funds Distributors, LLC. Any information, data or performance provided prior to that date is that of GE Asset Management, Incorporated.

Some of the funds listed may have current fee agreements in place that reduces fund expenses and if removed or modified will result in higher expense ratios and reduce fund performance. Complete details can be found in each fund's prospectus on our website [ssgafunds.com](#).

Important Risk Information

Fee waivers and reimbursements can be found in the funds' most recent prospectuses.

Gross expense ratio and net expense ratio can be found in the funds' most recent prospectus.

Equity securities may fluctuate in value in response to the activities of individual companies and general market and economic conditions.

Index or Passively managed funds hold a range of securities that, in the aggregate, approximates the full Index in terms of key risk factors and other characteristics. This may cause the fund to experience tracking errors relative to performance of the index.

SSGA Target Date Fund are designed for investors expecting to retire around the year indicated in each fund's name. When choosing a Fund, investors should consider whether they anticipate retiring significantly earlier or later than age 65 even if such investors retire on or near a fund's approximate target date. There may be other considerations relevant to fund selection and investors should select the fund that best meets their individual circumstances and investment goals. The funds' asset allocation strategy becomes increasingly conservative as it approaches the target date and beyond. The investment risks of each Fund change over time as its asset allocation changes.

The performance and risks of each SSGA Target Retirement Fund and the SSGA Target Retirement Income Fund will directly correspond to the performance and risks of the underlying funds in which it invests and in proportion

to each Fund's allocation to each of these underlying funds. By investing in many underlying funds, the SSGA Target Retirement Funds and Target Retirement Income Fund have exposure to the risks of many different areas of the market.
